

The Board of Directors as a whole has the power to adopt policies. Policies established by the Board will be carried out by the Administrator or others as may be determined by the Board. The Board will establish the educational policies for Idaho Arts Charter School (IACS) and will determine the personnel policies of IACS. The Board will employ a professional Administrator(s) to manage IACS and employ necessary personnel.

The Board will have the responsibility of dispersing and accounting for funds to support IACS, including the physical plant and necessary equipment. The Board will be responsible for having the books audited annually.
