

It is the policy of the Board of Directors (Board) to recognize and maintain the distinction between those activities which are appropriate to the Board as the legislative governing body of the Idaho Arts Charter School (IACS) and those administrative activities which are to be performed by the IACS Administrator and his or her staff in the exercise of administrative authority. The functions of the Board can be described as policy making, appraisal, and evaluation.

The Board will have the further duty of providing the financial means by which the educational program is conducted. The Board will also ensure that the parents and students are informed of the needs, purposes, values, and status of IACS.
